

### Mission Statement

The Evergreen School challenges and nurtures highly intelligent, creative children, fostering responsibility, love of learning and self-esteem. We offer an enriched curriculum using innovative educational techniques including independent and small flexible group learning.

### Curriculum

Reading, math, language arts, science, social studies, history, art, music, physical education, library skills, world languages, environmental studies, computer skills, conflict mediation, and multicultural studies.

### Special Programs

World languages including French, German, Spanish and Mandarin Chinese; computer literacy; music and drama productions; photography; environmental science and global studies; overnight class field trips for ages 6 and above; overseas field study for graduating class. Before and after school extended care for prekindergarten and above. Child care for children 6 weeks to 4 years old. Summer camp, extramural sports, chess club, math team, yearbook. Two school counselors.

### Facilities

Forested areas, playgrounds, a sport field, picnic areas and an environmental science outdoor classroom are located on campus. The Evergreen School library contains over 23,000 volumes. Computers are available in all classrooms, two computer labs, two laptop carts. The intermediate and middle school facility houses classrooms, common area, science, and computer lab. Gymnasium, performing arts center (classrooms and theatre), art studios and village green.
